NVG/CNG Infrastructure Seminar

Calling all fleet operators, their engineering consultants, code officials and fire marshals involved in current or future NGV deployments!

When: June 9th from 8:30 - 11 am

Where: 4211 Global St. Raleigh, NC 27610

Why: Stephe Yborra, a leader in the NGV industry, will provide a brief overview of the compelling case for utilizing natural gas vehicles in fleets. With expert understanding of the code requirements, Yborra will then lead a discussion of the modifications needed for existing and new garages to maintain natural gas vehicles.

Contact Jerry O'Keeffe at jokeeffe@scana.com or (919) 598-7444 to RSVP by June

100 Best Fleet Seminars

When: July 21st, 9 am - 2:30 pm with a tour from 2:30 - 4 pm

Where: 2500 Westinghouse Blvd, Raleigh NC

Why: 100 Best Fleets in North America has a tradition of bringing together fleet leaders from around the country who want to hear from peers and experts in their field. Attendees are able to share their current common challenges and most importantly, hear solutions from peers in similar situations.

P.S. Triangle Clean Cities Members have a complimentary registration.

Stick around for our 15th Anniversary party, right after!
